SUCCESS ON THE AGENDA FOR JUNIOR CHAMBER ANNUAL CONVENTION

This week sees the arrival of over 200 Junior Chamber members in Galway for the 44th Junior Chamber Ireland National Convention. The conference which commences on Friday October 10th in the Galway Radisson SAS Hotel and is being hosted by Junior Chamber Galway is the highlight of the Junior Chamber calendar.

One of the main events of the conference will be The Junior Chamber Success Seminar which takes place on Saturday Oct. 11th at 11am in the Inis Mór ballroom. This seminar which is being organised by local chapter member Alan Maher will bring together well known personalities Enda Kenny TD, Adrian Copeland and local world record holder Richard Donovan under the chairmanship of Dr Aidan Daly, NUIG. Their objective will be to relate their success strategies to the delegates.

The theme of the conference is "Young Leaders and Entrepreneurs in action" and speaking about the Success Seminar project manager Alan Maher said "The speakers list for the success seminar proves that entrepreneurship is not confined to the business world alone but is also used in the fields of education, sport and politics". The seminar will conclude with a questions and answers session where attendees will have the opportunity to interact with the speakers and get a unique insight into the worlds that each represents.

Looking forward to the event local chapter president, Fiona Glynn said "This event would really not have been possible without the hard work of all the local members involved and the very generous sponsorship we have received Murphy's Brewery as well as local businesses".

Members of the public are invited to participate in the various events as well as the Presidents Ball on Saturday night 11th October in the Galway Radisson SAS. For more information and ticket reservations contact Junior Chamber on 086 2512762
