# Young people getting more out of life

BY JULIE TIERNEY

To celebrate its very successful year so far, JCI Galway is hosting an open night on Thursday September 29 in the Forster Court Hotel at 8pm to showcase its achievements and introduce its plans for the remainder of the year

"This year has been a rollercoaster, there's a great team spirit which has made working on projects great fun," said president Junior Chamber International, Galway, Máirín O'Reilly. "We raised money for the tsunami fund in January, launched our LINK mentoring project in February, ran the Easter Egg project in March, hosted JCI Ireland spring conference in April, produced our 38th Tourist Guide in May, awarded three Outstanding Young Persons in July, and we ran our duck race in August for Cope — and we're not finished yet!"

"JCI Galway is ideal for young people who are looking for something to do in their spare time or who want to get to know people if they have moved to Galway recently or just finished college. We meet up a few times each month and run different projects and events. I find it a great way of meeting young people with similar interests and getting more out of life," said membership officer, JCI Galway, Bernie Moran.

Membership is open to anyone between 18 and 40 as well as all sectors from trainees to managers, from caring services to technology - you don't have to be in business to join Junior Chamber.

For further details email [info@jci-galway.org](mailto:info@jci-galway.org), view [www.jci-galway.org](http://www.jci-galway.org), or contact Bernie on 087 6448259 or Máirín on 091 769018.
