

# JCI Galway tsunami fundraising bowling night at City Limits

**JULIE TIERNEY**

The Junior Chamber International 'Operation Hope' for the tsunami victims was launched on

January 1 in a worldwide effort of JCI members to assist their counterparts in the extensive area which was affected by the St Stephen's Day disaster.

True to the mission of the JCI, members in the affected areas are working on the ground providing aid and funding much needed supplies.

Supporting their efforts JCI Galway organised a fundraising bowling night at City Limits. City Bowl @City Limits of Oranmore provided the

facility free of charge as well as great spot prizes and with Crispfood providing finger food to participants. "We would like to

thank Orlagh Connolly and Kevin O'Driscoll of City Limits for coming on board to support our fundraising efforts, not only did we raise €1,000

for the tsunami victims but we had a great night out at City bowl," said Patricia Mullen, sports and social officer of JCI Galway.
